Dear Selectmen,

We have selected June 27th & 28th, 2014 for this year's celebration of Old Home Day.

My wife and I have stepped back in to chair this year's event as last year's chairman Michael Jackson, found that demands in his professional life precluded him from continuing.

Our request encompasses the need for permission to utilize the general Town Center, Spalding Field, the useable portions of the school and grounds, the Fire Station, Town Hall and the byways that attach to these properties as well as selected roads for the 1 and 5 mile foot races and the parade.

Our schedule calls for an Ice Cream Social on Friday evening to be held Friday evening on the Green. On Saturday the foot races begin at 6:45 with usual events including a parade down Church Street returning to the Center on Bedford Road. Other activities to follow throughout the day may include the soapbox derby on Church Street from 1:30 to 3 pm. Old Home Day culminates that evening with the BBQ at the fire department and the cakewalk at Town Hall.

We appreciate your consideration of our request.
