

Congratulations to this year's Soap Box racers. Five cars and teams competed this year in one of the fastest races in the 7 years of Carlisle OHD competition. Some favorites from prior years returned to competition while two new racers debuted. In addition to the racers, thanks also to their co-builders and spectators.

Special thanks also to those supporting the race including Claude Von Roesgen, Pat Mullen, Corey Lofdahl, Steve Golson, Andy Gill, and Dick Shoheit.
