

Carlisle Old Home Day Country Fair Invitation and Rules of the Road

Carlisle Old Home Day Country Fair Marketplace

We are pleased to invite you to participate in the Country Fair Marketplace at Carlisle's Old Home Day this year. The Marketplace will be open between 10:30 AM and 1:00 PM on Saturday, on Church Street in Carlisle Center. Please plan to remain in operation during these hours.

Covered booths, tables and stand-alone spots are available. We have a limited number of electrical hookups. Spaces, and electricity access will be assigned on a first come basis so please sign up early if you have specific needs.

The Carlisle Old Home Day Association requires 10% of the vendor's gross sales (including sales of raffle tickets, kids games, etc.) OR a \$25 flat fee if nothing is being sold. This donation helps fund the costs associated with sponsoring Old Home Day activities. Please plan to pay at the end of the fair. Envelopes will be provided in the morning and collected at 1:00 PM.

Access to vendor booths is only from 6:00 AM to 7:00 AM and 8:50 AM to 9:50 AM. Please be on time to set up, as other events will restrict access. The space reserved for you will be labeled with your name and someone will be there to direct you to your assigned space.

Access to Church Street will be from Bedford Road/Rte. 225 south of the rotary, up one-way Church Street the **wrong** way. Green Cemetery will be on your left as you enter. Park in the Carlisle School lot. NO vehicles will be allowed in the booth area on Church Street. This is a change from previous years by order of the Carlisle police. We strongly urge you to bring a wagon or hand truck to unload your vehicle.

(Please note that NO political organizations or groups supporting politically motivated, controversial issues are allowed at Old Home Day).

We look forward to your participation!

If you are selling food, you must check with Linda Fantasia at the Carlisle Board of Health to determine if you need a permit or not. This will depend upon the type of food being sold (food that will spoil if it is not kept hot or cold is of the greatest concern, but please check).
